CATEGORY 1 | PERFORMING ARTS | APPLICATION FORM

We value culture as the source of our identity, strength, guide and prosperity.

BACKGROUND INFORMATION

Over the last one hundred and twenty (120) years of sustained contact with the outside world, many groups and individuals have nurtured and maintained traditional cultural activities. The National Cultural Commission acknowledges and commends these groups for their efforts as they did this without the assistance and guidance from the Government.

These groups and individuals are undergoing tremendous challenges and are facing the danger of losing their authentic cultural heritages. This tremendous pace of challenges is evident in cultural activities such as body decorations, costumes, performances, initiations, rituals and ceremonies.

This changes are the result of the influx of western cultures from outside and also the intermingling of the different cultural groups in the country. The changes that are taking place in our traditional cultural groups are now classified as contemporary culture.

The National Cultural Commission recognizes and acknowledge that the developing contemporary culture is also important for developing Papua New Guinea. While pre-contact Papua New Guinea culture has been seen as a fragmentation of hundreds of different cultures, contemporary culture is what Papua New Guinea today.

WHO SHOULD APPLY

The National Cultural Commission encourages cultural groups, artists, theatre groups, contemporary music and dance groups and other art practitioners throughout the country to register.

The purpose of registration is in three-fold:
